## SKILLS

- Frontend Web Development (HTML, CSS, JavaScript)
- Strong English Language Skills (Speaking & Writing)
- Fluent in Urdu (Speaking, Reading, and Writing)
- Excellent Communication and Interpersonal Skills

## EXPERIENCE

- **Online Quran Teacher**  
*Since 2020*

I have worked as an online Quran teacher, specializing in teaching Quran with proper Tajweed and basic Islamic studies in English. My role involved guiding students of all ages through Quranic recitation, memorization, and understanding, using clear and effective English communication to ensure a supportive and engaging learning environment.

- **Salesman [Lahore]**

*October 2023 - December 2023*

I worked as a salesman in Lahore, selling ice cream and Russian salad. My responsibilities included serving customers, handling cash, maintaining cleanliness, and ensuring product freshness. This role helped me build strong customer service skills, work efficiently in busy environments, and manage daily sales with responsibility.
