EXPERIENCE

- **E-commerce**
February 2024 – August 2025

Worked for 6 months in e-commerce, gaining hands-on experience in product listing, order management, customer support, and digital marketing. Learned how to manage online sales platforms, handle customer queries, and support smooth business operations.

- **Salesman – Self-employed**
June 2021- February 2024

"Worked as a salesman at a fruit shop for 4 years, where I handled customer service, sales transactions, stock management, and maintained a friendly shopping environment.

- Maintained stock and ensured fresh produce display
- Built strong customer relationships through good service
